

NAVISA

MANOLETE DRY ANISETTE

ALCOHOL DEGREE

50% vol.

AGEING SYSTEM

Beverage made using natural alcohols; colourless and dry. Obtained by distilling macerated green aniseed (*Pimpinella anisum* L.) with added sugars, controlling the characteristic taste of this fruit in the final product.

TASTING NOTES

Colourless and brilliant. Dry anisette produced by double distillation of the natural aniseed and alcohol from the agricultural product. Persistent aftertaste which is characteristic of aniseed, aromatic herbs and spices.

PACKAGING INFORMATION

Clear bottle (100 cl). 6 bottles per box.
